

2015

NATIONAL

DAY OF PLAY

This April, KOMPAN is delighted to be hosting the industry's premier playground event – The 2015 National Day of Play.

As the pioneers of the Day of Play format, KOMPAN will take you on a journey over one jam-packed day in Sydney. Be witness to an official opening of Fairfield Adventure Playground, one of Australia's most jaw dropping playgrounds. Listen to presentations from industry key figures to inspire you to create your own playground masterpieces. On behalf of the entire KOMPAN group, we look forward to seeing you there!

Topics Covered:

- › Pushing the boundaries in playground construction using engineered flexible bended steel frames
- › Game changing 3D vertical multi-level net playground environments
- › Cutting edge design practices
- › New ways in crossing borders – sneak peek into the new flying lantern bridge
- › Key Global Projects and Trends

› Case Study & Site Tours:

- Fairfield Adventure Playground
